My car, my music . . .

I typically enforced this policy during road trips. But today was anything but typical. I had a very special passenger. Gwen Swenson was the hottest girl at Carstens College. Every guy on campus wanted to screw her. A few of them had. Lucky bastards. I couldn't even look at Gwen without getting a raging hard on and a head full of naughty thoughts.

I had damn near fainted when she approached me in the dining hall and asked if she could catch a ride home for Spring Break. "My car's in the shop," she had explained, "and since we're both from Hot Valley . . ."

"Sure," I had said without hesitation, hardly believing my good luck.

Despite being from the same town, Gwen and I hadn't met until freshman orientation. Hot Valley was a small place, but not that small. Unfortunately, this was the only thing we had in common. Gwen ran with a totally different crowd at Carstens, a fast crowd known for its hard partying ways and constant clashes with the disciplinary council. As for me—well, I pretty much kept to myself, spending most of my free time studying in the library. Don't get the wrong idea. I wasn't a socially inept nerd or anything like that, just a serious-minded student intent on going to law school.

Not wanting to come across as a total dullard—I preferred Classical music—I let Gwen select the tunes for our six-

## Trucker Friendly

hour trip. She liked 80s Heavy Metal. I wasn't about to complain. Gwen could listen to whatever the hell she wanted to. I was just thankful to have her riding shotgun in my car.

"I'm surprised," I said, raising my voice to be heard over strident electric guitar. "you didn't go to Florida for Spring Break."

Gwen turned the volume down. "That was the plan until Terry broke up with me."

Terry Godfrey played on the soccer team. I didn't know him all that well, but he seemed like a nice enough guy. I wondered why he had broken up with a hottie like Gwen.

"I guess he went?" I asked.

"Terry wouldn't have missed it for the world. He loves the beach . . ."

The scenery was boring. Inside the car was an entirely different matter. Gwen had dressed comfortably for the trip home. Her tube top and denim miniskirt left little to the imagination. Golden sunlight lashed her smooth bronze thighs. I found it difficult to concentrate on the road; those sexy legs of hers kept calling my name.

I imagined them wrapped around my waist as I fucked her on the little bed in my dorm room. Then I imagined them wrapped around my head as I ate her cunt. My cock sprang to life. I had worn shorts for the drive, baggy ones which effectively concealed my erection. Still, my junk was uncomfortably hard. I needed to rub one out and release the pressure . . .

"I don't know about you, but I'm thirsty."

"I hear you," Gwen said. Then, "I need to stretch my legs . . ."

I took the next exit then bypassed a small gas station in favor of a sprawling truck stop crammed with big rigs. The place had a restaurant, showers, video poker machines, and even a curtained adult section for lonely truckers.

I wasn't a trucker, but I was definitely lonely.

And harder than a tire iron.

We got out of the car. Gwen fired up a cigarette and paced the parking lot.

"You want anything?" I asked her.

"I'm fine," she said.

The men's room was easy to find, and surprisingly clean. I ducked into a

stall and whacked off like a champion, shooting a respectable load after just a few tugs. I washed my hands and bought a grape soda pop and a bag of chips. Standing at the counter, I looked for Gwen through the storefront glass. I didn't see her. She wasn't in the parking lot, nor inside my car.

Had she gone to the women's room? Probably. Where the hell else would she be? I went outside and sat in the car and ate my chips and drank my soda. No sign of Gwen. I waited and waited some more, growing more concerned by the second.

I finally got out of the car and conducted a thorough search. I didn't find her in the restaurant, nor the miniature casino. I asked the clerk if he had seen a young lady my age go into the women's room.

"She's in there," he told me, pointing to the curtained adult section.

"Oh."

I wasn't surprised. Not really. After all, Gwen liked to party like a rockstar. She must've gotten bored while I was jerking off and decided to have herself a looksee. I was torn. Should I go in there and get her? Or just return to my car and wait for her to finish?

A college cutey like Gwen must've looked awfully out of place in a truck stop porn shop. I hoped she was okay, hoped she wasn't being ogled and harassed by some dirty old trucker. Of course, Gwen was no sheltered daffodil. Still, I decided to check on her. We

needed to get back on the road as soon as possible.

My experience with such establishments was limited, but the place looked like your typical dirty bookstore: DVDs, magazines, sex toys, etc. A bored-looking middle-aged clerk sat behind the counter playing with her smartphone. I felt sorry for the lady; she had the crappiest of crap jobs. I made a mental note to keep studying my ass off lest I end up like her.

I didn't see Gwen. In fact, I didn't see any customers at all. I thought of all those big rigs parked outside. The drivers must've been in the restaurant or snoozing in their sleeper cabs.

The clerk glanced my way. I must've looked lost because she asked me if I needed help.

"I'm looking for a friend of mine," I explained, describing Gwen as if I were talking to a police sketch artist. "I think she may have come in here."

"Your friend's in there," the clerk said, gesturing to a narrow corridor lined with arcade booths.

I regarded the corridor with perplexity. It held three curtained booths. Eeny, meeny, miny, moe, I thought, wondering which one Gwen had chosen. Not that it mattered. I wasn't going to barge in on her while she watched a dirty movie. The clerk seemed mildly amused by my appearance. No doubt she was wondering what Gwen was doing with a straightlaced guy like me.

Well, I may have looked tame, but

my thoughts were anything but. I saw Gwen in my mind's eye . . .

Sitting in the arcade booth, her feet planted on either side of the screen, her miniskirt hiked above her hips, she watched the hardcore action with rapt attention while fucking herself with a dildo she had produced from her purse.

The clerk's voice pierced my raunchy reverie. "Your friend might be a while. She's busy trying out her new toy . . ."

"Excuse me?"

She opened a glass display case stocked with a wide assortment of sex toys and lubricants. The dildo in my fantasy had been smaller than the one in her hand.

The clerk smiled lewdly. "She bought one of these."

I was starting to regret stopping at the truck stop instead of the small gas station. This little pitstop was taking far too long. I had planned on reaching Hot Valley before dark. Now I wasn't so sure we'd make it.

"Brand new item," the clerk continued. "Your friend got the first one . . ."

Too much information, I thought. My patience had run out. It was time to get back on the road. Enough was enough. I sighed heavily and entered the arcade area. The narrow space smelled strongly of pine disinfectant. Still, I felt dirty just being there. The muted sounds of porn sex—exaggerated moans and groans and wails—greeted me as I assessed the booths. The first one was unoccupied, its blue curtain pulled back to

reveal the empty seat within.

I approached the second booth tentatively. The prospect of disturbing a complete stranger didn't sit well with me. I thought about asking the clerk if anybody other than Gwen had entered the arcade area, then rejected this idea. No more stalling . . .

I knocked on the side of the booth. "Gwen?"

No response, nothing but the sounds of hardcore sucking and fucking. I waited a moment before knocking again.

"Fuck off!" a gruff voice bellowed.

I did just that, half-expecting some pissed off biker to charge out of the booth and kick my ass. The third and last booth had to be Gwen's. I knocked three times in rapid succession.

"Gwen," I said her name in my most apologetic voice. "Sorry to interrupt but we need to go."

Gwen did not open the curtain.

But I did.

"Everything okay back here?"

I damn near jumped out of my shoes. The clerk was right behind me. Still, I didn't turn around to address her. I was too baffled by the unoccupied booth. Gwen's booth. Or so I had thought. The seat was empty. A fuck film continued to play. The torrid action on the screen—some blonde MILF getting poled by a black dude with a freakishly big dick—didn't interest me in the least. My concern for Gwen took precedence over all else.

I finally looked at the clerk. "I

thought you said my friend came back here?"

"She did. I guess she left when I wasn't looking." The clerk looked genuinely confused. "I must've been helping a customer."

"I guess so," I said. Then, "Well, she's got to be around here somewhere."

The clerk wished me luck. Once again, I combed every inch of the premises in search of Gwen. I was starting to feel like a private detective. Gwen was nowhere to be found. I was officially worried. And thinking seriously about calling the police . . .

It's a damn good thing I didn't. I didn't know it at the time, of course, but involving the authorities would have gotten Gwen in some serious hot water. This became abundantly clear when I went outside to continue my search and spotted her on the far side of the vast parking lot. Relief turned to confusion then surprise then something closer to shock when I realized exactly what she was doing . . .

Moving from rig to rig, Gwen knocked on a succession of cab doors until she found a trucker looking to purchase her services.

"I don't believe this shit," I muttered to myself. "She's turning tricks out here."

Gwen had a reputation for partying hard, yeah, but this was ridiculous! No wonder Terry had severed their relationship. I would have done the same thing after learning that my girlfriend

was a freakin' hooker!

Or maybe this was her first foray into the oldest profession. Somehow, I doubted it . . .

Sitting in my car, I never took my eyes off the truck. I hoped Gwen was okay. The trucker could be some unhinged nutcase. I breathed a sigh of relief when, less than ten minutes after entering the cab, the passenger door swung open and she climbed out.

"That was fast," I remarked.

Moments later, Gwen hopped in my car. She unslung her purse and apologized for the delay, claiming to have lost track of time while playing the slots. I chose not to confront her with what I had witnessed. Who the hell was I to judge? Her body, her life.

"How'd you do?" I asked her after we had gotten back on the interstate.

"I won forty bucks," she told me.

"Not bad," I said.

Gwen surprised me for the second time that day when we reached Hot Valley and I dropped her off at her house. "Here," she said, handing me her hard-earned cash. "Thanks for the ride."

"You bet," I said, pocketing the gas money. "Have a good Spring Break."

"I will," she said. "Don't worry."

Gwen's father came outside to welcome his daughter home. Standing on the porch, his patrician face beaming with pride, he waved as I backed out of the driveway. I waved back. Poor guy. His daughter was a lot lizard!

Dating a gynecologist has its challenges. Aaron examines pussy eight hours a day, five days a week.

# What's Your Specialty?

I didn't go to college to land a good job and become a financially independent woman. Oh no. Not by a longshot. I went to college to get a husband, preferably a premed student with lots of earning potential. Let a man do all the work. That was my motto.

Unfortunately, things didn't work out. I partied too much, and that's hardly attractive to studious guys who spend all their time in the library. Now, a recent graduate armed with a generic business degree, I'm working as a sales rep for a pharmaceutical company. Mine is the perfect job for a single gal looking to tie the knot with a doctor. I spend my days going from one clinic to the next; I figure it's only a matter of time before I meet my white-coated savior.

Which brings me to Dr. Aaron Newman. We've been dating for two months. I don't know if he's the one, only time will tell, but he definitely checks a lot of boxes.

Handsome. Smart. Rich.

And hung like a horse!

We met on a cold call which heated up rather quickly. Instant attraction. I left his office with a lucrative sale and his personal phone number. He quickly became a repeat customer. In more ways than one. Still, dating a gynecologist has its challenges. Aaron examines pussy eight hours a day, five days a week. Most nights he can't look at, much less touch, another cooch. As you can imagine, we have a lot of oral and anal sex. I've become an expert at both.

The only thing I haven't tried is ATM.

But that's about to change.

Tonight...

Presently turned on after a protracted session of foreplay on Aaron's bed, I get on all fours as he moves behind me.

"Oh yeah," I say over my shoulder. "Stick that big cock of yours in my tight little asshole."

He raises the hem of my nightie. I wait with bated breath. He hesitates. "Don't you want to suck it first?"

"Not tonight," I say.

He extols the virtues of a spit shined schlong, explaining that anal sex sans lubricant will likely hurt.

"Hurt so good," I tell him. "Now shut up and fuck me already."

"Okay. But don't say I didn't warn you."

His hands gripping my shapely hips, he plunges his prick into my pooper. And he's right. It does hurt. At first. Then my anus stretches to accommodate his dick, and it feels wonderful. Aaron bangs my buttock like a champion; he drives his hips hard and fast, reaming my rectum good and proper.

The slapping of fornicating flesh reverberates off the bedroom walls, a beautiful sound which turns me on something fierce. I shove a hand between my thighs and diddle my pussy. I'm wet and getting wetter. My tit toppers are nice and stiff, just the way I like them.

Yeah, I think, Aaron is a prize catch. His bank account has a lot to do with this, his bank account and the mammoth member currently plowing my keester. He just might be Mr. Right.

Sensing his forthcoming release, I tell him to take it easy. "Let me finish

Will he come in my mouth? Pull out and explode in my face?  
No sooner do I ask myself these questions than he cries out  
loudly and pops off.

you,” I say, “with my mouth.”

Aaron is stunned. At least, I think he’s stunned. He doesn’t say a word.

“I want to taste my ass on you.”

“Be my guest,” Aaron finally speaks.

He withdraws hastily and stretches out on the bed with his head propped on a pillow. His throbbler glistens. Licking my lips hungrily, I lean over and gobble him good.

I’m hotter than ever. My turgid nipples threaten to poke holes in my sheer nightie. Hand pumping between my legs, head bobbing frenziedly, I moan and groan around his rigid rod, bringing him closer and closer to the point of no return.

Will he come in my mouth? Pull out and explode in my face? No sooner do I ask myself these questions than he cries out loudly and pops off. My lips wrapped around his spasming cock, I take his load, ingesting every last drop.

“Wow,” he says a few minutes later as we spoon in bed. “You’re a dirty little slut.”

“I’ll take that as a compliment.”

“Taste good?”

“Delicious.”

Sadly, this was to be our last sexual encounter. Well, it’s not all that sad. Not really. My new boyfriend is a proctologist with a thriving practice. Looking at assholes all day, he doesn’t want anything to do with mine. But that’s okay. Unlike Aaron the gynecologist, my new man can’t get enough of my long-neglected pussy. In fact, he’s wearing me out. It won’t be long before I need vaginal rejuvenation surgery.

Can you recommend a cute plastic surgeon?
